

CHRISTIE WONG

ux & ui designer

WORK EXPERIENCE

New Hippo Health

[Lead UX/UI Designer](#) Apr 2017 - Present

Optimizing design and implementation tradeoffs, creating mockups and interactive prototypes, and conducting user research with stakeholders

Kumu Agency

[UX / UI Designer](#) Jul 2015 - Feb 2016

Designed the user experience of various client projects including BC Hydro, Vancouver Economic Commission and GLOBE Series

Evident Point Software

[UX / UI Designer \(Co-op\)](#) Sep 2014 - Dec 2014

Re-designed and implemented the company's websites in HTML5, CSS3, Sass and Bootstrap

BlackBerry

[UX Researcher \(Co-op\)](#) Sep 2012 - Apr 2013

Facilitated a longitudinal study on how people learn the features of BlackBerry 10

EDUCATION

Simon Fraser University

[Bachelor of Science in Design](#) Sep 2010 - Oct 2016

Graduated in the School of Interactive Arts & Technology (SIAT) program with Distinction (3.95 CGPA)

Politecnico di Milano

[Exchange term in Milan, Italy](#) Mar 2016 - Jul 2016

Took Management Engineering courses, which enabled me to understand the design process from a managerial perspective

SIDE PROJECT

To practice my visual design skills, I created an Instagram account to showcase the visual diary of my life, thoughts and perspectives: www.instagram.com/chreativeday
